Department of Freshman Engineering

Faculty Profile

Name	: S.Archana	
Designation	: Assistant Professor	
Qualification	: M.Tech in VLSI System Design	
Total Experience	: 6 years	
JNTUH ID	: 5027-150422-193636	
AICTE ID	:	
E-Mail	: archana.astra7@gmail.com	
	archanaece@sphoorthyengg.ac.in	
Linked In	www.linkedin.com/in/archana-g-2626b41b	
YouTube Channel	:	
Certifications	Salesforce Administrator, Salesforce Developer	
	Coursera Certification on HTML, CSS & Java Script	

Papers published:

1. Anti terrorist Robot, The International journal of analytical and experimental modal analysis, Volume XV, Issue VII, July 2023
2. Liquid Level Monitoring and Dam Automation using IOT, The International journal of analytical and experimental modal analysis, Volume XV, Issue VI, June 2023
3. Low Power and Area Efficient Design of VLSI Circuits, Journal of Engineering Sciences, Vol 14, Issue 06, 2023
4. Multi purpose patient Safety System, The International journal of analytical and experimental modal analysis, Volume XV, Issue VI, June 2023
5. IOT Based Emergency Button for Women Safety, The International journal of analytical and experimental modal analysis, Volume XV, Issue VI, June 2023
