

MEMORANDUM OF UNDERSTANDING

Between

IL Talentfarm LLP

And

Sphoorthy Engineering College

May 2024

1.1. Introduction and Purpose of the Memorandum

Talentfarm will work with Sphoorthy Engineering College to provide a platform for students to gain industry exposure and placements. Talentfarm will use its vast industry network to provide opportunities for students to gain valuable work experience and placements during their holiday periods.

1.2. Centre of Excellence

Talentfarm will establish a Centre of Excellence in partnership with Sphoorthy Engineering College, powered by emerging technologies. Talentfarm shall bring its corporate partners to be part of the CoE.

1.3. Startup Studio

Talentfarm shall establish a Startup Studio to provide mentorship and support to students, especially in the field of AI/ML, Web Development, and Data Science. Talentfarm shall provide support of various nature, including financial and legal matters.
